This course provides an online work experience for those considering to apply to Medical School. You will be taken through six areas of medicine, exploring the roles, skills required and challenges faced by today's doctors.

<https://www.icanbea.org.uk/virtual-tours/>

Our 360 degree tours were produced for key businesses in the Ipswich area and funded through the *Ipswich Opportunity Area project*. Now kindly released for general viewing, the tours are a great way to **explore these employers** using photography, sound and video.

Get prepared for life after education with our virtual mentorship, workshops and online activities. Join live sessions via the calendar or catch up on archived events in the posts below. It's time to take the next step!

<https://amazingapprenticeships.com/live-broadcasts/>

Schools and educational establishments in England can access the very latest apprenticeship information through live broadcasts – completely free of charge! Don't worry if you can't make the live broadcast – you can watch on catch-up at a time to suit you.

<https://aimhigherwm.ac.uk/wp-content/uploads/2020/05/Aimhigher-Virtual-Events-Calendar-Summer-2020.pdf>

Make sure you and your learners don't miss out on any of our motivating and engaging online events by downloading our full programme calendar.

All events will be 'pre-recorded' so learners can join in when suits them and those who complete the accompanying activity will have the opportunity to win Amazon gift cards.

To take part in our virtual events please email NCOP@aston.ac.uk.

<https://www.unitasterdays.com/search.aspx?LID=true>

Here's where you start your search for your next university event. This section is for pupils and parents looking to book places on events directly. If you're not sure which subject area to search, please use our subject guide. Events listed include university and college taster days, workshops, residentials, open days, outreach events and widening participation opportunities.
